To Whom It May Concern:

I am pleased to submit this letter of recommendation on behalf of Angela Jenifer's candidacy for the Executive Director of Clayton County's first K-12 Virtual School. Mrs. Jenifer has the acumen, skill set, experience and temperament to make her one of the most qualified leaders for this position. Her vast experience across elementary, middle school and district level leadership, makes her ideally positioned to carry out our district's vision. In addition to her solid education experience and training she also holds a master's degree in information technology, making her uniquely qualified to lead this initiative. Over the last 3 years, I have enjoyed planning and brainstorming with her on our leadership team. During this time, I have had the opportunity to work closely with her on finding ways to strategically improve teaching and learning in our building while increasing the efficiency of day-to-day operations.

The collaborative goals we created to improve our school, truly benefited all stakeholders. Through all of our interactions, I've always been impressed by her expectations for staff and students, and the rapport she is able to establish with them. Her leadership style has a clear focus. She has the reputation of being supportive, consistent, organized, professional and vastly knowledgeable.

I have found her to be pragmatic in her approach to setting and accomplishing goals. She is masterful in identifying problems, defining the steps necessary to solve those problems, and then developing the proper systems to help to reach solutions. She has the natural ability to collaborate with others as she champions their ideas along with her own to come up with products that serve the good of all.

With her past experiences and knowledge, I have no doubt that she possesses the requisite skills for success in any of our district's executive leadership positions. It is with great delight and without reservation that I wholeheartedly endorse Mrs. Jenifer as a standout candidate for this position. She is one of our district's strongest leaders!

Sincerely,

*William C. Greene*
