To Whom It May Concern,

It is an honor to write this letter of recommendation for Ms. Angela Jenifer. I have known Ms. Jenifer for the past ten years and have had the pleasure of working closely with her as a colleague for four years in her roles of teacher and Assistant Principal at Jackson Elementary. Ms. Jenifer has an in-depth knowledge of academic content and research-based instructional practices. She routinely carries out her administrative duties and responsibilities in a consistent, fair and professional manner with all stakeholders.

Ms. Jenifer's exemplary professional reputation has made her an educator who is well recognized and respected among the educational community in Clayton County. Her expertise in the use of data has allowed her the opportunity to present at both the school and county levels. Because of her experience as a classroom teacher, EIP teacher, Math Coach, Data Specialist and Assistant Principal, Ms. Jenifer has the knowledge, expertise and skills needed to lead others in any capacity.

Ms. Jenifer has excellent decision making, organizational and interpersonal skills. Ms. Jenifer demonstrates the ability to see the big picture in all situations and make decisions that always put students' needs first. As our school testing coordinator, Ms. Jenifer has successfully devised and implemented an effective testing plan for both county and state level assessments for the past two years. She collaborates well with the administrative team, teachers and staff to support the overall school program.

Ms. Jenifer is always willing to go above and beyond to ensure excellence in all she does and she strives to instill excellence others. Without reservation, I highly recommend Ms. Angela Jenifer for a position in your school system. She will be an invaluable asset to any organization.

Sincerely,

Lucinda Brackett
Assistant Principal
