To Whom It May Concern:

This is a letter of strong recommendation for Mrs. Angela Jenifer whom I have known for approximately 10 years. She is a dedicated administrator with a zeal for students. I first came to know Mrs. Jenifer as a co-worker, and she currently serves as my supervisor (Assistant Principal) at Jackson Elementary School in Clayton County Georgia.

Mrs. Jenifer is an analytical person who has an exceptional ability to listen to diverse opinions and see the best solution to make the situation equitable for all parties involved. She knows complexity and how to wear many hats effectively as a leader. On a daily basis, I observe Mrs. Jenifer put out many fires with ease. She is committed to student achievement and cares about all students regardless of how humble or exalted their background. In addition, Mrs. Jenifer is always willing to work hard to support the teachers here at Jackson Elementary. She works hard to build relationships of trust and collaboration among our staff. She is committed to the public school setting and understands the purpose and knows how to lead to bring about change.

Mrs. Jenifer is a committed professional and is very serious minded as a leader. She always keeps the needs of the students, staff, and parents in mind, and is genuinely an exemplary individual. She would be a wonderful addition to your staff.

Please do not hesitate to contact me if you need additional information.

Thank You,
